SITUATION

12 Cedar Drive is ideally located within a short walk of Dursley town centre. The town offers a range of shopping facilities along with recreational facilities including: swimming pool, golf course and a variety of independent retailers and Sainsbury's supermarket. Travelling to the larger centres of Gloucester, Bristol and Cheltenham is made easily accessible via the A38 and M5/M4 motorway network. The adjoining village of Cam has 'Park and Ride' railway station which brings Gloucester and Bristol within twenty five minutes and thirty minutes rail travel respectively. The town bus station is also within a few minutes walk.

DIRECTIONS

From Dursley town centre proceed north west out of town on the A4135 taking the third turning on the left into Cedar Drive and continue for approximately 100 metres and 12 Cedar Drive will be found on the righthand side.

DESCRIPTION

The property comprises a detached bungalow, which we understand was originally constructed in the late 1950's and briefly comprises: living room, kitchen, conservatory, utility, two bedrooms and a shower room. The bungalow is understood to be traditionally constructed with reconstituted stone elevation with cavity wall under a concrete tiled roof. The property benefits from gas warm air heating, along with extensive mix of Upvc and aluminium framed double glazing and is now in need of general updating. Town centre bungalows rarely become available, and we would suggest viewing at your earliest opportunity.
