A thought from the owners...Stockghyll Cottage has been an established Bed and Breakfast for over 50 years and under our ownership for the last 15 years. Following early retirement Stockghyll Cottage has given us the opportunity to live in Lake District, in a chocolate box cottage, with the added bonus of a waterfall in the garden. We have enjoyed water activities on the lake with the family and friends and observed close up birds and wildlife. Plus unlimited walks in the fells of Cumbria. Running a Bed and Breakfast has been a complete career change for two professionals, this lifestyle business has lead to meeting people from all over the world and making many new friendships.
