Proposed Plan

Proposed Plan

Proposed Plan

The shared drive leads you in from Red Bank Road, as you approach the secluded and unique setting of Loft House you will know that you have uncovered a hidden gem. This 1800's stone built property exuding charm and character is set to be transformed in to an impressive luxurious Lakeland home.

Loft House is currently a freehold, 2 bedroom property with kitchen, living room and shower room, on the first floor with access from garden to the west side of the house, incorporating the original piggery's which would have sat at either end of the property and the ground floor currently being two former barn rooms along with a separate stone outbuilding.

The bold but carefully curated design endeavors to encompass the sheer beauty of the breathtaking surroundings, with consideration to wildlife habitats and the natural landscape. Plans suggest using locally sourced, natural materials such as timber and Lakeland slate and calling upon our local, artisan craftsman's to bring Loft House back to life.

The plans outline work to refurbish existing buildings and extensions to form a fabulous four bedroom retreat. Restoring the traditional appearance of the original building, predominantly within the footprint of previously demolished structures thus creating a new, elegant, open plan living space drawing in the outside space providing views of Grasmere Lake and allowing natural light to flood into the lounge and dining area through the large glass gable window.

The four double bedrooms, two on the ground floor and two on the first floor will all have ensuite bathrooms making the accommodation incredibly versatile, as a home, holiday let or weekend family retreat.

A glass canopy is proposed to join the existing outbuilding to the main house utilising the space as storage and a utility room.

To the north elevation a modest extension to loft house would provide entrance porch and useful cloakroom.

The plot which Loft House sits in is extensive, with a range of magnificent trees, shaded woodland and view of Grasmere lake giving the perfect opportunity for imaginative landscaping and amending current driveway access.

The opportunity to create your dream home in the heart of this stunning landscape is right here waiting for you to make a start on the transformation.

Location Loft House is situated on the quiet road which links Grasmere with Elterwater, Kelbarrow maybe approached from the centre of Grasmere village from the direction of Ambleside by taking the left hand turn just past St Oswald's church (where William Wordsworth is buried) passing the Garden Centre on your left hand side. Continue along Red Bank Road for a distance of less than half a mile. Enter between the short stone pillars and continue up the shared drive around the rear of the building where Loft House is found with car parking alongside.

Property Information

Tenure Freehold (Vacant possession upon completion).

Council Tax Westmorland & Furness District Council. Currently Band B (Would be higher once completed)

Services Mains water and electricity
Please note that due to updated regulations for septic tanks and private drainage facilities, interested parties may wish to seek independent advice on the installation.

Viewings Strictly by appointment with Hackney & Leigh.

Anti-Money Laundering Regulations (AML) Please note that when an offer is accepted on a property, we must follow government legislation and carry out identification checks on all buyers under the Anti-Money Laundering Regulations (AML). We use a specialist third-party company to carry out these checks at a charge of £42.67 (inc. VAT) per individual or £36.19 (incl. vat) per individual, if more than one person is involved in the purchase (provided all individuals pay in one transaction). The charge is non-refundable, and you will be unable to proceed with the purchase of the property until these checks have been completed. In the event the property is being purchased in the name of a company, the charge will be £120 (incl. vat).
