This welcoming two bedroom ground floor apartment offers all that you need for comfortable living in the heart of The Lake District National Park.

Entering Campbell House from the communal entrance, stairs lead down to the entrance of the apartment. The private hallway allows access to all of rooms and has two, large useful cupboards for storage.

You will find a light, pleasant living room with French doors which take you out on to a small patio, the perfect place to admire the views and glimpses of Coniston Water.

The fitted kitchen offers a range of wall and base units, complimentary work surfaces, electric hob, stainless steel sink and drainer plus space for a fridge freezer and washing machine.

Offering comfort, the two spacious, double bedrooms both have built in wardrobes for convenience

The shower room has double walk in shower, wc and vanity unit incorporating wash hand basin. The room is partly tiled and benefits from an extractor fan.

Outside Campbell House there is car parking provision for the apartments within the grounds, whilst the communal gardens themselves are easily managed. The apartments here can be enjoyed as permanent residences or second homes, but cannot be commercially holiday let - giving a much more relaxed and homely feel to this attractive development.

Location The location of 13 Campbell House could hardly be better - all that Coniston village has to offer is just a short stroll away, whilst for the more energetic and adventurous, the Lake shore and the high fells are also accessible on foot from the property.
