Originally built by one of the locally renowned Jennings brothers, dating back to 1935 and extended in recent years to make this the welcoming bright and airy family home it is today. This much loved property has been in the same family for 40 years and boasts fabulous stylish touches throughout as well as lovely stained glass window details, high ceilings and coving adding to the feeling of spaciousness.

The entrance porch has a practical and hardwearing red quarry tiled floor with ample space for dealing with damp coats and muddy boots, leading on to the hallway which really sets the tone for the rest of this wonderful home. Welcoming with shaped archway, and a lovely high ceiling and display shelf, this is a wonderful open space for greeting visitors. Stairs lead to the first floor.

From the hallway is the dual aspect sitting room with its bay window enjoying lovely garden and fell views. Additionally there are two rather special windows here containing beautiful stained glass - a unique feature. This room benefits from a high ceiling with coving, picture rail and ceiling rose, whilst the focal point is surely the wood burning stove set upon its slate hearth - perfect for gathering round and relaxing in front of on those cooler evenings.

Sharing the same views to Loughrigg and Wetherlam is the separate dining room, wonderfully light thanks to its dual aspect and with patio door extending the living space, bringing a sense of the outside in - a fabulous room whether entertaining guests or for large family gatherings. Characterful features here are alcove cupboards, a picture rail, and coving.

The kitchen is the heartbeat of this family home. Having tiled walls and floor, and fitted with country style wall and base units with complementary work surfaces which incorporate an inset double sink and drainer unit. Integrated appliances include a Bosch grill and oven, and a four ring gas hob with extractor fan over. There is plumbing for a dishwasher, whilst a walk in pantry with shelves makes clever use of the under stair area. Adjoining is a dedicated utility room, also having tiled walls and floor, fitted with wall and base units with integrated stainless steel sink and drainer with mixer tap over, and plumbing provision for a washing machine and dryer. An ideal room for dealing with muddy feet, whether of the two legged variety or four, straight in from a day enjoying the surrounding countryside, with external door to the side of the property and internal door to the garage beyond.

Also on this ground floor is a cloakroom, with art deco style circular stained glass window and having a WC and wall hung wash hand basin.

Heading up the stairs, first passing a half landing with window above, then to the main landing itself from where the loft - part boarded and insulated - can be accessed.

The main bedroom is a treat, wonderfully light thanks to its dual aspect and with gorgeous views. Fitted with built in wardrobes along one wall, L shaped - well suited for accommodating a dressing table - and leading perfectly to the en suite shower room with its Mira shower set within a cubicle, wash hand basin over a cupboard unit, and WC.

The second double bedroom also boasts views of Loughrigg and Wetherlam and has integrated storage. Bedroom 3 is also dual aspect with views of Wansfell and has two built-in double wardrobes. Bedroom 4 is a single room with fitted wardrobe/cupboards and dressing table unit. The fifth bedroom is currently in use as a home

office with natural light streaming in from the two Velux, and another circular window here echoes the other elsewhere in this home.

Also on this first floor is the walk in airing cupboard with shelves which houses the Worcester gas boiler and the hot water cylinder.

The house bathroom has tiled walls and a three piece suite comprising a shaped panel bath with shower over, pedestal wash hand basin, and WC. A heated ladder style towel rail/radiator ensures there are always warm towels on hand.

Stepping outside, the gardens are an absolute delight. The private patio area provides space to sit and enjoy the beautiful garden and dramatic fells in the distance, perhaps with a glass of something cool at the end of the day, whilst the established shrubs and beds provide a haven for butterflies and bees alike. The lawn is tiered with steps leading to the lower part, passing an established natural rockery on one side and a pond on the other. There are lovely views to be enjoyed wherever you are in the garden - with birdsong as a soundtrack, this really is a garden for all to relax in and enjoy.

Additionally there is a greenhouse perfect for the green fingered gardener, a timber shed in the style of a summer house, and three very useful log stores, as well as outside light and water points.

The attached garage is L shaped with a roller door, currently in use as a wonderful storage area for those larger items of garden and outdoor equipment, having power and light points, and an external pedestrian door. There is parking for a number of vehicles on the private drive.

Sledhill is everything you could wish for whether you are seeking a spacious family home, a stunning weekend retreat or a potentially highly successful holiday let. Come and see for yourself - we think that you will love everything about this delightful home.

Location Just a short walk to the centre of Ambleside which offers an exceptional array of highly regarded restaurants, cafes, shops and traditional Lakeland inns, not to mention a surprising selection of cinema screens. There are excellent recreational facilities including parks, tennis and crazy golf. Not forgetting that you can hike any of the surrounding fells or amble down to the lake shore.
