Silverdale is located within an Area of Outstanding Natural Beauty, known for its scenic coastline, distinctive limestone cliffs, and peaceful woodlands - an ideal setting for those who enjoy nature and the outdoors. The village offers a good range of local amenities including a well-regarded primary school, two churches, a village hall, shops, a post office, golf club, Indian restaurant, and a selection of three pubs. For commuters, Silverdale train station provides regular services to Lancaster and Manchester, and the M6 motorway is just a 15-minute drive away.

Silverdale combines natural beauty with a strong sense of community, offering a relaxed and fulfilling lifestyle in one of Lancashire's most desirable rural locations.

Step inside this double-fronted cottage and instantly appreciate the stylish, move-in-ready interior. To the left, a beautifully presented living room awaits, featuring a Dunsley log burner with alcove shelving, and a sash window offering a pleasant green outlook to the front.

The kitchen/dining room has been thoughtfully modernised, boasting mushroom-toned base and wall units complemented by sandstone-style worktops, classic metro tile splashbacks, and a ceramic sink. A full range of integrated appliances includes a dishwasher, fridge, freezer, and washing machine, all centred around a five-burner Rangemaster cooker with double oven, grill, and extractor. The space is bright and airy, with dual-aspect windows and convenient access to the rear courtyard garden.

To the first floor, you'll find two generously sized double bedrooms, both overlooking the front elevation. Each room provides a neutral, well-proportioned layout ready for your furnishings, with the second bedroom benefiting from fitted wardrobes.

Completing the first floor is a contemporary shower room, finished to a high standard with a walk-in shower, concealed WC, vanity sink unit, modern heated towel rail, and integrated Bluetooth ceiling speakers.

Externally, the property benefits from off street parking and thoughtfully designed garden spaces. At the front and along the side and rear, charming outdoor areas have been landscaped with a mix of gravel paths, established greenery, and tucked-away seating - perfect for enjoying the peaceful surroundings.

The rear garden is fully enclosed for added privacy and features a raised deck area ideal for relaxing or dining outdoors. A gate connects directly to the parking area, and climbing plants add a touch of natural character to the stone exterior. A versatile outbuilding, currently used as a shed or workshop, is also equipped with lighting and electricity - offering practical space for hobbies or storage.
