At the rear, you'll find a well-appointed utility room, which not only houses the Valliant boiler but also provides access to rear enclosed yard which is used for bin storage. This functional space features a worktop, stainless steel sink and drainer, and ample room for a washing machine and an upright fridge freezer, making it a practical hub for household tasks.

Ascend the staircase, with a beautiful stained glass window, to the first floor where a spacious landing awaits. To the left, the kitchen diner boasts a range of wall and base units, complemented by tiled splashbacks and a sleek worksurface. Equipped with a four-ring gas hob, Bosch extractor hood, double Bosch oven, and a sink and drainer, this space is perfect for culinary enthusiasts. A window overlooking the rear garden adds a touch of tranquillity.

The living room, bathed in natural light from multiple Velux windows, offers a stylish retreat with a focal gas fire and built-in bookcases. A patio door leads out to the garden, creating a seamless indoor-outdoor flow.

Benbecula features two double bedrooms, both with ample storage and Velux windows. The modern bathroom includes a walk-in shower, vanity unit with a toilet and hand wash basin, and additional storage.
