Property Overview

On approach to the property, the peaceful nature of this home is apparent; set back from the Market Square, the property is a short walk from the thriving town centre and would be ideal for those looking for a central home within this sought after town.

Firstly, you are welcomed by the patio to the front. A low maintenance area with space for outdoor seating, being a real sun trap and making the ideal spot to enjoy a morning coffee or a drink of something cool in the summer, away from the hustle and bustle of town. Step inside into the open plan kitchen/living/dining area, with front aspect windows and a feature multifuel stove setting the tone for those cooler evenings.

The kitchen itself is well fitted with wall and base units with complementary work tops and a sink with drainer. Integrated appliances include a Bosch oven with four ring hob and extractor over, microwave and fridge with space for an undercounter dishwasher and washing machine. With space for a dining table, there is plenty of room to enjoy meals with family and friends with ample space for guests to relax and unwind. A handy under stairs cupboard provides space for coats and shoes.

Follow the stairs to the first floor where you will find the two bedrooms and three piece bathroom. Bedroom one is a light and airy double room with space for additional furniture, enjoying feature beams adding a sense of character. Bedroom two is also well appointed, with space for a small double or two single beds and space for bedside furniture, also enjoying a front aspect window and benefitting from an integrated wardrobe.

Finally, the family bathroom is deceptively spacious, comprising a vanity unit with sink and W.C., as well as a panelled bath with shower over, heated ladder towel radiator and complementary vinyl flooring to finish.
