Home Office

Step inside to a welcoming entrance hall laid with Moduleo flooring, which flows seamlessly into the light-filled living room. This triple-aspect space enjoys French doors opening onto the rear garden, creating a perfect indoor-outdoor connection. To the left of the entrance is an open-plan kitchen, living and dining room, ideal for modern living and entertaining. The kitchen is well-appointed with AEG integrated appliances, including an oven, microwave, fridge, freezer, dishwasher, and a 1.5 sink unit. Wall and base units offer ample storage, and a breakfast bar creates a natural hub for social gatherings. Karndean flooring adds a touch of luxury, and patio doors lead directly to the garden. Also on the ground floor, you'll find a handy cloakroom with WC and sink, a storage cupboard for coats and shoes, and a utility room with under-counter space for a washing machine and tumble dryer.

Upstairs, the home has three well-proportioned bedrooms. The principal bedroom benefits from a front-aspect window, a dedicated dressing area, and a modern en-suite shower room with a WC and sink. The second bedroom is a comfortable double with a rear-aspect window and far reaching views of surrounding fells, while the third offers views to the front. The family bathroom is fitted with a contemporary three-piece suite, including a bath, WC, and sink. A useful landing cupboard offers additional storage and provides access to a partly boarded loft for even more space.

Outside, the property features a driveway providing off road parking with a garage with side pedestrian access and electric door. The gardens are level mainly to lawn, ideal for children or pets.

At the rear of the garden is a purpose-built home office, complete with power, lighting, and connected to B4RN full-fibre broadband. Whether you work remotely or need a separate space for a treatment room or studio, this versatile room is usable all year round.
