Improved and updated by the present owner, this established semi detached is quietly situated on a generous garden plot in this popular riverside village. The landscaped rear garden is lawned and features two patio areas, ideal for summer entertaining. Clapham offers a range of facilities including a well regarded primary school, a selection of pubs and shops and is approximately three miles to the north/west of Bedford's town centre with easy access to the rail station.

This established semi detached home features gas radiator heating - fired by a newly installed boiler - and uPVC double glazing throughout. There is ample off road parking for numerous vehicles. The sizeable loft space is boarded in the centre. The generous plot offers significant potential to extend the existing 'footprint' (it is understood that planning consent for a two storey side extension was gained in the past but has since lapsed).
