Occupying a central position within the town, this period cottage is available with no chain and provides an ideal first time buy or investment. The accommodation includes two bedrooms both with fitted storage and there is one spacious living room. There is a small kitchen and a first floor bathroom with electric shower over the bath. There is also gas to radiator heating and current gas and electrical safety certificates (as of December 2025). Outside, there is a small open plan courtyard area. The property has been in the letting market some time and would now benefit from some general improvement throughout.
