Milcote Road
Solihull
Offers Around £550,000

Description

Milcote Road leads indirectly off The Crescent which in turn joins Ashleigh Road. Ashleigh Road is a particularly attractive tree lined road which links Streetsbrook Road and the A41 Warwick Road, both arterial roads into the town centre of Solihull some quarter of a mile from this charming family home. The town centre offers a wide choice of shopping facilities and has a thriving business community together with its own main line London to Birmingham railway station. This 1960's Bryant built end town house occupies an unexpectedly large plot which really does need to be seen to be appreciated. The plot is surrounded by the large gardens of traditional properties which gives a rear green and private aspect to all boundaries.

Schooling in the area is of particular renown and the property is located in the heart of the town centre which gives easy access to the local infant, junior and secondary schooling including Tudor Grange Secondary School, Alderbrook Secondary School and of course Solihull School. (All school catchments are subject to confirmation from the Education Department).

Being set back from the road behind a deep front driveway which extends to the car port and covered entrance. The property boasts a large entrance lobby with guest cloak WC off, large living room with interlinking dining room with generous conservatory off. There is a modern kitchen and utility room. On the first floor are four well proportioned bedrooms and a family bathroom. There is a small integral garage/store, a car port and of course the magnificent rear garden. The property is being sold with the benefit of no upward chain and early viewing is recommended.
