This impressive modern detached property forms part of this small cul-de-sac development built by Cala Homes in the mid 1990's and is located just off Haslucks Green Road in the Solihull hamlet of Majors Green; a semi rural and residential area bearing a Solihull postcode but rateable to Bromsgrove Council.

Shirley and Whitlocks End railway stations are both within walking distance giving access to Stratford Upon Avon and Birmingham City Centre.

There are local bus services which operate along Haslucks Green Road, providing access to the A34 Stratford Road in Shirley, where there are numerous shops and business premises, and travelling south along the A34 one will pass Cranmore/Widney/Monkspath Business Parks and on to the M42 motorway, which forms the hub of the national motorway network, and provides access at its junction with the A45 Coventry Road to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The nearby town centre of Shirley offers useful shopping facilities; while the neighbouring villages of Hollywood and Wythall have local convenience stores.

An ideal location therefore for this deceptively spacious property which is set back from the road via a block edged tarmac driveway flanked by a lawned foregarden. A part double glazed front door with coach lamp point and canopy porch over opens into the
