- POPULAR LOCATION

Badger Close is a small cul-de-sac of similarly styled properties situated on the fringe of the popular village of Cheswick Green which was developed in the 1970's as a self contained 'modern village' in the countryside, and it has lived up to its original design brief from the outset. It benefits from its own small parade of shops, doctors surgery, community centre, children's play area, village pub and central village green. As with all villages, there is a community nursery, junior and infant school. Local bus services act as a school service for children going to the senior schooling in Solihull, for which we are advised that Alderbrook is the catchment school for this area. Education facilities are subject to confirmation from the Education Department.

There is easy access by road via the A34 Stratford Road to the M42 motorway, and a short journey down it will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The main shopping area in nearby Shirley has an excellent array of shops, business premises, restaurants and hostelrys coupled with central Solihull which boasts the modern and vibrant Touchwood Development and the traditional high street.

An ideal location therefore for this modern end town house which has been improved by the current owners and is situated back from the road behind a lawned foregarden with paved pathway access that leads to a part double glazed front door which opens directly to the
