The road itself is an eclectic mix of property styles from Edwardian and Victorian styled homes, to more recently constructed modern detached houses. Number 57 is the last house before the junction and was constructed in the early 1970's and has been in its original ownership since construction and benefits from recent re-decoration.

We are advised that the property is situated within the catchment area for St James's Tudor Grange Academy which is on the nearby Shirley Park Estate. Also nearby, on the main Stratford Road, you will find Our Lady of the Wayside Roman Catholic Junior and Infant School and in Solihull on Whitefields Road is St Peter's Roman Catholic Senior School, although all education facilities are subject to confirmation from the Education Department.

Shirley has its own train station in Haslucks Green Road, at the top of Burman Road, which provides a train service to Birmingham City Centre and Stratford upon Avon. Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business Parks and on to Blythe Valley Business Park which can be found at the junction with the M42 motorway, providing access to the Midland Motorway Network.
