Trinity Apartments is an exciting and stylish development managed by Solihull Care Housing Association Ltd (SCHA). The development comprises of 51 self-contained luxury apartments principally for people aged 55 and over, or indeed residents who have social care and support needs.

Located within the modern Parkgate development in the heart of Shirley town centre, the development boasts a host of residents facilities to make life easier and more convivial for those who choose to live there. There is also the added peace of mind of having an on site development manager and care team; along with a personal alert system should any resident find themselves in difficulty.

Solihull Extra Care Housing at Trinity Apartments does offer a way of enabling residents to live independently within their own home for as long as possible. by providing both privacy and security; along with the benefits of a range of on-site facilities, activities and companionship.

From the moment you enter Trinity Apartments you feel part of community; the cheerful reception area leads through to a residents sitting room where activities and gatherings are organised. There is a restaurant where each resident can enjoy a three course meal daily included within their service charge; a hair salon, residents laundry, hobbies room and fantastic sun room and roof garden on the second floor.

The development is supported by an extra care team who in the longer term can offer a real alternative to residential care and sheltered housing. A range of care and support needs are being provided for, including people with Dementia, Alzheimer's and mental health related conditions.

The development is situated in an extremely convenient location within the 'Parkgate' development which includes a good range of shops and restaurants. Shirley Railway station is situated further along Haslucks Green Road with trains to Birmingham and Stratford upon Avon and regular bus services operate along both Haslucks Green Road and the main Stratford Road.

An ideal location therefore for this first floor apartment which enjoys a delightful position giving the apartment and the balcony a good amount of natural light.

From the main reception area; two lifts and a staircase ascend to the first floor - where a front door opens directly to the
