The modern village of Dickens Heath can be found approximately two miles from Shirley town centre and four miles from Solihull town centre. The former farmland has been developed over the last two decades by a number of house builders to provide a modern residential development centred around a high street and village green.

Whitchurch Lane is located just off Tythe Barn Lane, being one of the artery roads providing access into the village and benefits from the close proximity of open countryside and the canal, where canal side walks will take you through to Birmingham Centre and Earlswood Lakes. The village boasts its own junior and infant school, and secondary education can be found at nearby Solihull secondary schools, including Light Hall and Alderbrook. Education facilities are subject to confirmation from the local Education Department.

The main shopping centre of nearby Shirley offers a wide choice of supermarkets, convenience and speciality stores, restaurants and hostelrys, and there are frequent bus services along the A34 into Birmingham city centre and Solihull town centre boasting the vibrant and modern Touchwood Development offering shopping facilities and evening entertainment.

Dickens Heath is served by nearby Whitlocks End Railway Station which is situated at the end of Tythe Barn Lane which provides rail links to Birmingham city centre and Stratford-upon-Avon.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park, and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business and leisure park, and onto the Blythe Valley Business Park, which can be found at the junction with the M42 motorway, providing access to the midland motorway network. A short drive down the M42 to junction 6 will find National Exhibition Centre and Birmingham International Airport and Railway Station.

An ideal location therefore for this modern 'Laing' built detached house which is situated in this much sought after road on the development and sits back from the road behind a tarmac driveway flanked by a lawned foregarden. A part double glazed door opens to the
