Noble Way

Cheswick Green

Asking Price £122,500

Description

Noble Way is located on the recently constructed Bloor Homes 'Cheswick Place' development just off Tanworth Lane betwixt Shirley and Cheswick Green.

The development is ideally placed to retain a good level of convenience with the close proximity of Shirley and Solihull town centres, access to the motorways and access to both buses and the train stations at nearby Whitlocks End and Earlswood; yet also benefits from being close to open countryside providing a choice of areas of recreation.

This particular property is enviably located on the edge of the development with a really lovely aspect to the side and rear over gardens and open space which gives a real feel of greenery and space around the property.

The property offers deceptively spacious accommodation which really does need to be viewed to be appreciated and has the benefit of immediate driveway parking spaces to the fore, a ground floor WC, burglar alarm fitted and rear garden with additional independent side paved access which would allow the enlargement of the garden slightly if the new owners require. The property is also being sold with the benefit of no upward chain. The property is also available to purchase at 100%
