Description

The popular 'Badgers' development was originally built by Bryant Homes and has proven popular since its construction in 1977, offering modern 'Georgian' style houses situated on generous plots and alongside wide roadways. This particular property was originally built to the 'Grafton' design and owing to the side access which it affords, does offer potential for additional extension over the garage (subject to planning permissions),

From the development there is pedestrian access which leads indirectly to Light Hall Senior School and Woodlands Infant School. Also in this location is a local convenience store with Post Office and regular local bus services. These also operate along Bills Lane and will take you the short journey up to Shirley Railway Station in Haslucks Green Road, from which regular commuter services operate.

The main A34 Stratford Road provides the major facilities for the area with an excellent choice of shops ranging from small speciality and convenience stores to a choice of major supermarkets and Superstores on the Retail Park. Shirley Park leads from the Stratford Road and there is a community centre, doctors and dental practices, and a good range of restaurants and hostelryes. A thriving business community extends along the Stratford Road into Birmingham and out towards the Cranmore/Widney and Monkspath Business Parks and Blythe Valley Business Parks which straddle the junction of the M42 motorway. A short journey down the motorway will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

An ideal location therefore for this semi detached house which enjoys a pleasant position and offers further potential to extended (subject to the necessary planning permissions). The house has been extended and lovingly maintained by the current owners who have been in occupation for 30 years. The property benefits from a deep front driveway and a rear garden with a southerly aspect. In all, a really lovely home in arguably one of the best positions on this popular development.
