Haslucks Green Road
Shirley
Offers Around £375,000

Description

This well maintained and extended larger style semi detached house is situated on Haslucks Green Road which leads from the centre of Shirley to Majors Green. The road itself is an eclectic mix of property and this particular house forms one of a run of larger style semi detached properties that have an aspect to the rear over the sports pitches.

We are advised that the property is situated within the catchment area for Light Hall School which can be found in Hathaway Road, with infant schooling being at nearby Burman Infant School in Velsheda Road, and junior schooling is at Haslucks Green Junior School in Haslucks Green Road. Also nearby, on the main Stratford Road, you will find Our Lady of the Wayside Roman Catholic Junior and Infant School and in Solihull on Whitefields Road is St Peter's Roman Catholic Senior School, although all education facilities are subject to confirmation from the Education Department.

The main Stratford Road is within walking distance of the property and here one will find an excellent array of shopping facilities ranging from small speciality and convenience stores to choice of major supermarkets including Asda and Parkgate and Superstores on the Retail Park. There are a wide choice of restaurants along the Stratford Road and a thriving business community, which extends down to the Cranmore, Widney and Monkspath Business Parks, and beyond here to the presently under construction Provident Office and Blythe Valley Business Parks which straddle the junction of the M42 motorway, approximately 3 miles from the property. A short journey down the motorway will bring you to Birmingham International Airport and Railway Station and the National Exhibition Centre.

A superb location therefore for this extended semi detached house which sits back from the roadside behind a front driveway and has generous accommodation that really does need to be viewed to be appreciated. The property benefits from a good sized south facing rear garden with summer house which has an electricity supply.
