## Description

Blackford Road is a conveniently situated road running from Stratford Road to Dog Kennel Lane. There is excellent schooling within the location at Woodlands Infant School, Shirley Heath Junior School and Lighthall or Alderbrook Secondary Schools, in whose catchment areas we are advised the property falls (subject to confirmation from the Education Authority). Also nearby on the Stratford Road is Our Lady of the Wayside Junior and Infant School and in Whitefields Road is St Peters Roman Catholic Senior School and Sixth Form College.

The main shopping centre in Shirley offers a wide choice of Supermarkets, convenience and speciality stores, restaurants and hosteries and there are frequent bus services running along the A34 into Birmingham City Centre and Solihull Town Centre – boasting the vibrant and modern Touchwood Centre offering shopping facilities and evening entertainments. Shirley has its own train station in Haslucks Green Road, providing a train service to Birmingham City Centre and Stratford upon Avon.

Blackford Road is situated on the edge of the suburb of Shirley and as such one can easily access areas of local open space including Earlswood Lakes and the Stratford-upon-Avon canal which are ideal for leisurely walks or cycling.

Off the main Stratford Road leads Marshall Lake Road boasting the Retail Park and further down the A34 one will find the Cranmore, Widney, Monkspath and Solihull Business Parks, and on to Blythe Valley Business Park which can be found at the junction with the M42 motorway, providing access to the Midland Motorway Network. A short drive down the M42 to Junction Six, you will find Birmingham International Airport and Rail Station.

An ideal location therefore for this larger style detached house which is pleasantly positioned in this service road with a mature screening to the fore. The house has been extended and improved and offers really great open plan living space on the ground floor and upstairs it boasts three double bedrooms and a large family bathroom with shower. There is an integral garage with an electric door, a full width block set driveway and a delightful rear garden with a southerly aspect.
