

A photograph of a row of three semi-detached houses. The central house has a yellow upper floor and a red brick lower floor with a white door. It features a bay window on the upper floor and a large bay window on the ground floor. To the left and right are similar houses with white upper floors. A stone path leads from the foreground to the central house's door. A green hedge runs along the front of the houses. Two green and black bins are on the right. The sky is overcast.
