\*No Onward Chain\*

Conveniently located just off the A1079 between the city of York and the market town of Pocklington, is this two bedroom detached bungalow. Positioned nicely on a great plot, this property has plenty of potential, as well as the scope to extend. An early viewing is highly recommended.

As you enter the property you find yourself in the first of two reception rooms, with a gas fire to its centre, which leads onto the kitchen.

The kitchen offers ample storage above and below three separate worktops. One of which incorporates an oven and electric hob, another housing a stainless steel sink with drainer. Additionally, there is space here for white goods.

Another large reception room follows with an adjacent garden room, both offering doors that open onto the rear of the property.

Two good sized bedrooms and a family bathroom complete the internals. The bathroom comprises a bath, walk in shower, hand basin and w/c.

Externally there is a large rear garden, detached garage and off street parking for multiple cars. Due to the generous plot size, extending the property should not be an issue at all, offering any potential buyers the chance to add valuable living space and value to their home.
