## Guide Price £325,000

If you are looking to upsize, like the idea of being in a village that boasts a fantastic array of amenities and still want to be only a short drive from the towns of Market Weighton and Pocklington, then look no further as this delightful three bedroom property could be exactly what you have been waiting for. The property is extremely deceptive as it was extended a number of years ago to create a stunning open plan kitchen/living/dining area at the rear, a feature that will surely appeal to anyone that enjoys space. The property has been fitted with 10 solar panels and battery storage. An early viewing is highly recommended to fully appreciate everything that it has to offer.

On entering you find yourself in a snug which is currently being used as a home office and benefits from a feature brick fire place at one end. Moving through into the open plan kitchen/living/dining area you will find more than enough space for a good sized sofa and a formal dining room table with chairs. There are three Velux roof lights above the dining area which allows an abundance of natural light to flood the room, whilst a set of French doors open to the rear garden.

The kitchen comprises worktop with a ceramic sink with drainer, four ring induction hob, full height fridge, full height freezer, double oven, dishwasher and multiple built in storage cupboards. In addition there is a separate utility room with a shower room beyond.

To the first floor there are three bedrooms, one with dual aspect windows, the other two have built in storage. A bathroom comprising bath with rainfall shower over, pedestal hand basin, low level w/c and chrome heated towel rail completes the internal accommodation.

Externally the rear garden is mainly laid to lawn with a patio seating area to one side. The garden is fully enclosed by a timber garden fence, perfect if you have young children or pets. There are several mature shrubs, young trees and colourful flowers. There is a gravelled area to the front which provides parking for two cars.
