Surrounded by lush green fields and open countryside, residents enjoy beautiful walking routes and a rural lifestyle while being just a short drive from Selby, York and other nearby towns. The village is perfect for those seeking a more relaxed pace of life with all the charm of rural living combined with easy access to urban conveniences. This lovely property with No Onward Chain, solar panels and an air source heat pump has been individually designed by the current vendors, so an early viewing is highly recommended to fully appreciate everything it has to offer.

Step inside and you're immediately welcomed by the heart of the home, a stunning open-plan kitchen, dining, and living area. A vaulted ceiling with exposed beams and two Velux roof lights fill the space with light and character. The kitchen itself boasts solid wood worktops, ceramic sink, integrated appliances and central island that doubles as a breakfast bar. There's room for a family dining table and beyond that, the living space flows effortlessly to a set of bi-fold doors that open onto a raised composite decking. On summer evenings they can be opened to create the ideal setting for entertaining.

Across the hall you will find the main living room which offers a quieter, more private retreat. With windows on two sides and French doors to the garden, it's filled with light throughout the day and has plenty of room for a variety of layouts, whether you prefer cosy evenings with a movie or a more formal sitting area.

The ground floor also has practicality at its core, with a well-equipped utility/boot room complete with storage and direct access to the rear garden. A cloakroom with w/c by the front door adds everyday convenience, while underfloor heating throughout the ground floor ensures the whole level feels warm and welcoming in every season.

Upstairs, the first floor is home to three generously sized double bedrooms, all fitted with built-in wardrobes, making them ideal for family and guests. A stylish family bathroom, finished with Karndean flooring, offers a bath with rainfall shower over perfect for busy mornings or long, relaxing soaks.

The top floor is reserved for the master suite. The bedroom itself is spacious, complemented by a dedicated dressing room with bespoke Hammonds furniture. Velux windows with built-in blinds frame the views and fill the room with light, while the en-suite shower room adds a touch of everyday luxury.

Outside, the home is tucked away from the road and approached by a private gravel driveway with plenty of parking. An attached garage with electric roller door and a separate storage shed provide extra practicality. The rear garden is mostly laid to lawn but the real highlight is the generous raised decking perfect for summer barbecues, family gatherings or simply sitting back with a glass of wine and taking in the far-reaching views of the open countryside beyond.
