We have pleasure in offering to the market this deceptive end of terrace period home which dates back to the early 1900's and offers a versatile level of accommodation over three floors extending to approximately 1,000 sq ft and boasting the unusual addition of a LARGE DOUBLE GARAGE / WORKSHOP, not generally expected with a property of its style. This delightful home is tastefully presented throughout having seen a thoughtful programme of modernisation over the years, but still retaining elements of character expected from a property of its era.

The property has two main reception areas, including a light and airy sitting room with chimney breast and attractive solid fuel stove, the living/dining area located off the kitchen creates an excellent L-shaped everyday living/entertaining space and has access out into the garden. To the first floor there are two double bedrooms, the main bedroom having a contemporary ensuite bath/shower room, and a further double bedroom in the eaves on the second floor with a modern ensuite shower room.

In addition, the property benefits from gas central heating, UPVC double glazing and tasteful decoration throughout and is a delightful interesting home within this popular location.

As well as the accommodation on offer, the property occupies a pleasant slightly elevated plot with low maintenance frontage, and enclosed established rear garden. In addition a driveway to the rear provides off road car standing and leads to a substantial double garage and workshop area which could be utilised for additional secure parking or workshop space.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.

Stathern is a thriving village community with local facilities including a highly regarded primary school, local shop, garage, village hall and public house. Further facilities can be found in the nearby market towns of Melton Mowbray, Bingham and Grantham and from Grantham there is a

high speed train to King's Cross in just over an hour. The village is also convenient for the A52 and A46 to Nottingham and Leicester with links to the A1 and M1.
