An excellent opportunity to purchase an individual detached chalet style home which is understood to have been constructed in the 1960s, occupying what is a particularly generous plot by modern standards approaching 0.192 acre with gardens to all sides and ample off road parking.

Internally the property offers just in excess of 1,200sq.ft. of accommodation lying over two floors with the possibility to be utilised as a single storey home making it potentially ideal for those downsizing from larger dwellings. In addition, because of the property's generous plot, there could be further scope to extend the property further subject to necessary consents making it ideal for those with a higher budget to create a home to their own specification.

Internally the accommodation comprises initial L-shaped entrance hall leading through into two receptions comprising sitting room and separate dining room which is open plan into the kitchen with a further third reception area/ground floor double bedroom and ground floor cloakroom. To the first floor there are two further double bedrooms with a central bathroom.

Although the property is likely to require a certain degree of cosmetic updating based on today's requirements it provides a blank canvas for those wishing to place their own mark on a home and benefits from UPVC double glazing and gas central heating.

As well as the accommodation the property occupies a delightful plot which lies in the region of 0.192 acre set back from the lane behind a generous frontage with gardens running to all sides, mainly laid to lawn but with established trees and shrubs, with ample off road parking and gated driveway to the side.

The property is positioned within walking distance of the heart of the village and it's wealth of amenities making it appealing to a relatively wide audience with viewing coming highly recommended to appreciate both the location and accommodation on offer.
