We have pleasure in offering to the market this attractive double fronted contemporary home completed by Bloor Homes in 2022, positioned on a pleasant corner plot in a small cul-de-sac setting with a pleasant aspect across to an adjacent green with ample off road parking and double garage.

The property is immaculately presented with neutral decoration throughout and benefits from UPVC double glazing and gas central heating, having contemporary fixtures and fittings and a range of contemporary floor coverings.

The accommodation extends to two main receptions and a spacious open plan living/dining kitchen which runs the full width of the property and leads out into the rear garden via two pairs of French doors making a fantastic every day living/entertaining space. In addition there is a useful utility and ground floor cloak room and leading off a central hallway is a pleasant sitting room and study/playroom.

To the first floor, off a central galleried landing with excellent storage, are four bedrooms, two benefitting from ensuite facilities with the master bedroom also having a walk through fitted dressing room with full height wardrobes and ensuite shower room off. A contemporary family bathroom services bedrooms 3 and 4.

As well as the accommodation the property occupies a pleasant plot with double width driveway to the side, a double garage and mainly lawned, enclosed garden at the rear which is relatively generous by modern standards.

Overall this is an excellent opportunity to purchase a fantastic contemporary home within this highly regarded and well served village and would be ideal for families being positioned within a short walking distance of the local school.

Viewing comes highly recommended to appreciate both the location and accommodation on offer.
