A truly unique opportunity to acquire a superb individual detached barn conversion which offers a considerable amount of accommodation, lying in the region of 3000 sq ft with the predominance of the accommodation lying to the ground floor. The main selling point of the property is its stunning plot having gated access onto approximately 5.0 acres of grounds which also encompasses a well stocked lake lying in the region of 1.0 acre in an attractive setting with tree lined banks and open aspects. The site has previously been utilised as a commercial fishery with day tickets for anglers and encompasses two attractive shepherd's huts and small timber chalets as well as an amenity block. This in turn adds to the potential of this fantastic site whether it be for commercial or personal use and is a unique opportunity.

The current owners have carried out further improvements to the property, updating the kitchen and bathrooms with contemporary fixtures and fittings as well as the installation of solar panels, updated windows and a replacement boiler.

The accommodation is exceptionally versatile being laid out over two floors, the master suite situated on the first floor and benefitting from ensuite facilities as well as an attractive galleried reception area overlooking the main setting room which would make an ideal study or snug. The predominance of the accommodation lies to the ground floor making this ideal for those looking for single storey living, offering potentially four further bedrooms and two/three receptions, including a superb open plan living/dining room with high vaulted ceiling, exposed timbers and attractive exposed brick fireplace with inset solid fuel stove.

Overall this is a fascinating individual home of generous proportions, occupying a superb site with ongoing potential. Viewing comes highly recommended to appreciate the accommodation on offer.

WHATTON
