We have pleasure in offering to the market this individual family orientated home, which offers an excellent level of accommodation spanning 3 floors, and approaching 2,300 sq.ft. The property affords superb panoramic open views to the rear across Vale countryside with Belvoir Castle on the horizon creating a dramatic backdrop to what is already an attractive setting.

This bespoke dwelling was originally constructed around 2001 designed and built with a great deal of thought and attention to detail, combining the benefits and efficiency of modern construction with the aesthetics expected from a more traditional style property. Internally each room offers its own characteristics with a range of floor coverings, solid pine doors and deep skirting, with some rooms offering exposed beams and internal brickwork.

The property offers two main receptions as well as an open plan living/dining kitchen fitted with a generous range of cottage style units, finished in Heritage colours, with integrated appliances and including attractive features of exposed brick internal elevation and box bay window. In addition there is a useful utility room and ground floor cloakroom leading off a central hallway with staircase rising to both the first and second floors. The property has five double bedrooms over two floors, including a superb master suite with dressing room and ensuite shower room. There is also a bathroom on both the first and second floor.

The property occupies an idyllic location tucked away in a quiet backwater on a no-through lane in this highly regarded Vale of Belvoir village occupying a generous gated plot with considerable parking and attached garage as well as an attractive garden to the rear with a superb vista.

Viewing is the only way to truly appreciate both the location and accommodation on offer.

Amenities in Redmile include a public house/restaurant and well regarded village school. The Engine Yard up at Belvoir Castle offers a selection of small independent shops, cafe etc. Additional amenities are available in the nearby village

of Bottesford including secondary school, range of local shops, doctors and dentists and railway station with links to Nottingham and Grantham. The village is surrounded by the undulating countryside of the Vale of Belvoir and for commuting the village is ideally placed being approximately 15 minutes drive from Grantham station where a high speed train to Kings Cross takes just over an hour. The village is also convenient for access to the A52 and A46 providing good road links to Nottingham and Leicester, the A1 and M1.
