We have pleasure in offering to the market this traditional, semi detached home which has been tastefully modernised throughout. As well as benefitting from a single storey addition to the rear the property occupies a central village location, literally yards from local amenities, with attractive views at the rear across to adjacent paddocks.

The property is likely to appeal to a wide audience being large enough to accommodate families but also a single person or professional couples or even those downsizing from larger dwellings who will appreciate its convenient location, within walking distance of the wealth of amenities.

The property offers versatile living comprising an initial enclosed storm porch leading through into an inner hallway and in turn the main sitting room with attractive feature fireplace and inset stove. The sitting room links through into a fitted kitchen with ground floor cloak room and utility area off and, in turn, opens out into a single storey addition which provides a fantastic everyday living/entertaining space, large enough to accommodate both living and dining areas, with access out into the rear garden. To the first floor there are three bedrooms and main bathroom.

As well as the internal accommodation the property occupies a pleasant plot with off road parking to the front and side. This leads down to a brick built garage which has been part converted, leaving a storage/workshop area to the front and a room at the rear which has been utilised as a "temporary office".

The rear garden affords a fantastic aspect across to an adjacent paddock and views of the village church. The garden is mainly laid to lawn with several terraces providing various seating areas throughout the day and provides a pleasant outdoor space.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.
