A really exciting opportunity to purchase an individual detached dormer style home which predominantly offers single storey accommodation extending to around 1650 sq ft and occupying a substantial plot lying in the region of 0.49 of an acre.

The property is set back in a secluded position well away from the High Street with considerable scope to extend and reconfigure the dwelling, subject to any necessary consents.

The property is understood to have been originally constructed in the 1970s by a local architect to his own design, offering potentially up to four bedrooms one of which is a substantial double situated to the first floor.

The accommodation is predominantly laid out to the ground floor and offers an initial entrance vestibule leading into a central hallway, spacious living/dining room, kitchen and utility off, three ground floor bedrooms and bathroom, with additional double bedroom to the first floor.

The property although requiring modernisation appears to have been reasonably well maintained and would provide an excellent blank canvas for those wishing to place their own mark on a home, especially making use of its fantastic generous plot.

The gardens run to all sides and there is an excellent level of off road parking with gated driveway and garage. The garden also encompasses an outdoor swimming pool. In addition a small grassed area which lies outside the main perimeter, approximately 128 sq m, provides additional outdoor space.

The property could well appeal to a wide audience, particularly those looking for a dwelling with additional potential, possibly those with a higher budget looking to extend and reconfigure the property making use of its superb and well proportioned outdoor space, which could offer additional potential, subject to consent.

The property is offered to the market with no upward

chain and viewing comes highly recommended to appreciate both the location and accommodation on offer.

The village of Caythorpe is situated on the A607 approximately nine miles north of Grantham, amenities in the village include a public house, local shop, doctor's surgery and further amenities can be found in nearby Grantham including grammar schools and railway station with trains to King's Cross in just over an hour.

### EXTERIOR

One of the main selling points of this really interesting individual home is its fantastic secluded plot, tucked away off the High Street and accessed via an initial shared driveway which is in the ownership of the property, leading to a five bar gate and onto the main plot which including the driveway approaches half an acre. The gardens run to all sides, predominantly laid to lawn with initial driveway providing a considerable level of off road parking and leading to a detached garage/workshop.

To the southerly side of the plot is an outdoor swimming pool, a vegetable garden to the north westerly corner with timber storage shed and established borders.

### **ADDITIONAL NOTES**

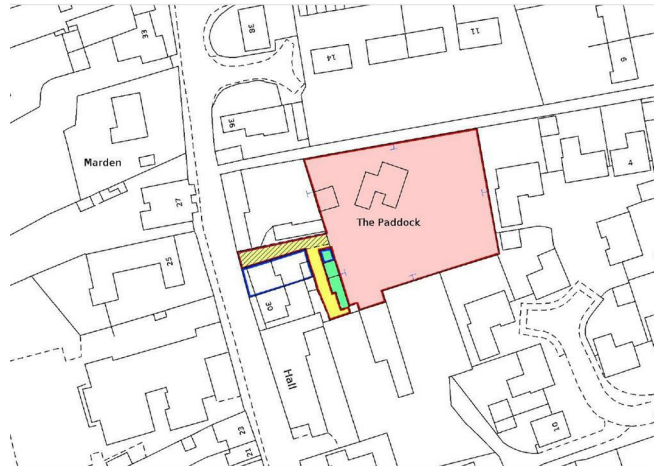

As well as the main garden a small parcel of grassed area lies outside the main perimeter and extends to around 128 sq m (1300 sq ft) providing additional outdoor space. It is worth noting that there is a right of way across part of this land for adjacent neighbours to access their outbuildings.

In addition to the above there is a maintenance agreement in place with a neighbouring property, for the shared element of the drive. Further details upon request.

Property is understood to be on mains drainage, electric and water. Central heating is oil fired. (information taken from Energy performance certificate and/or vendor).

There is a planning application on a neighbouring property relating to re-construction and alteration to an existing outbuilding.

We understand there is a historic covenant restricting the plot to a single dwelling.
