**** COMING SOON ****

We have pleasure in offering to the market a really interesting pair of contemporary new build bungalows with expected completion Spring/Summer of 2025, completed by a well regarded family owned, independent development company known for creating bespoke homes to a high specification with these properties being no exception.

The bungalows will approach 800sq.ft. and will offer a spacious feel with a fantastic, well thought out design, with contemporary fixtures and fittings.

The accommodation will comprise an initial entrance hall which in turn will lead through into an impressive L shaped, open plan living/dining kitchen with a superb, part vaulted ceiling and bifold doors leading into the rear garden. This creates a grand main living area which would normally be expected in a far larger dwelling and will provide an excellent everyday living/entertaining space which will become the hub of the home. In addition there are two double bedrooms and a main L shaped bathroom, all finished with contemporary fixtures and fittings.

The properties are tucked away in a small close, set well back from the main road, with a relatively low maintenance frontage which has been landscaped to provide two off road parking spaces and a manageable, enclosed garden at the rear.

The properties would be perfect for those downsizing from larger dwellings particularly appreciating the wealth of amenities within the village and, because of their contemporary nature, could also attract those from the younger generation.

The properties are approached via a private driveway and afford attractive elevations having a stone facade beneath a pantile roof with rendered elevations to the side and rear, overall creating a really pleasing appearance always expected in a property of its style.

Early viewing comes highly recommended to appreciate both the accommodation and location.
