We have pleasure in offering to the market this contemporary, semi detached home, originally completed by Avant Homes in 2018, offering around 1,000 sq.ft. of internal accommodation which has been well thought out and is tastefully presented with good quality fixtures and fittings.

The property is large enough to accommodate families particularly making use of the well regarded local school but would appeal to a wider audience, whether it be from single or professional couples or even those downsizing from larger dwellings and looking for a modern, efficient home, within a village setting.

The accommodation is tastefully presented throughout with relatively neutral decoration, UPVC double glazing, gas central heating and contemporary fixtures and fittings. It comprises an initial entrance hall leading through into a dining kitchen, full width sitting room with bifold doors into the rear garden and ground floor cloak room. To the first floor there are three bedrooms, the master of which benefits from ensuite facilities, and separate family bathroom.

As well as the internal accommodation the property occupies a pleasant level plot with a tandem length driveway and enclosed garden at the rear.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.
