An interesting opportunity to purchase a significantly extended and reconfigured, link detached, family orientated home which has been altered over the years to create a fantastic level of space approaching 1,800 sq.ft.

The property is tastefully presented throughout with modern fixtures and fittings and relatively neutral decoration.

The accommodation extends to two main reception areas comprising a pleasant sitting room linking through into a garden/dining room at the rear which wraps round into a fitted kitchen which, combined, creates a wonderful open plan, everyday, living/entertaining space, flooded with light and linking out into the rear garden. In addition there is a useful ground floor utility and cloak room. To the first floor there are four double bedrooms plus an additional room leading off the main bedroom which is currently utilised as a dressing room but could potentially provide a fifth bedroom if required. The master suite is particularly unique, comprising a spacious main bedroom with ensuite facilities off and linking through into a dressing area but also having a kitchenette as well as its own staircase descending to the ground floor, giving it its own private access. This would allow this area of the property to be utilised, potentially as a self contained annexe, perfect for those with extended families, dependent relatives, teenagers or even, possibly, as short term let.

As well as the internal accommodation the property occupies a pleasant corner plot with ample off road parking, an integral double garage and an enclosed, relatively low maintenance garden at the rear which benefits from a westerly rear aspect.

In addition the property is positioned within walking distance of local schools and amenities making it perfect for families. Viewing comes highly recommended to appreciate both the location and accommodation on offer.

BINGHAM

The market town of Bingham is well equipped with amenities including a range of shops, primary and secondary schools, doctors and dentists, leisure centre and

railway station with links to Nottingham and Grantham. The town is conveniently located for commuting situated at the intersection of the A52 and A46 and with good road links to the A1 and M1.
