An excellent opportunity to purchase a fantastic, well proportioned detached family home which offers a sprawling level of accommodation lying in excess of 5,000 sq.ft., boasting up to five main reception areas, including an open plan living/dining kitchen which extends to almost 51 ft. in length, creating a superb everyday living/entertaining space which links back into the garden. In addition the property offers up to six double bedrooms with seven ensuites and the addition of two ground floor cloak rooms. This combines to create what is a particularly impressive family home of considerable proportions.

The property was originally completed around 2010 by a well regarded local builder, finished to a high specification at the time and has been well maintained over the years. The property benefits from contemporary fixtures and fittings and relatively neutral decoration.

The property offers considerable versatility with the sixth double bedroom and ensuite being accessed off its own separate staircase leading off a ground floor reception area with adjacent utility and cloak room. This area of the house could therefore offer potential to be split creating an annexe style facility maybe for teenagers or extended families with dependent relatives.

As well as the internal accommodation the property occupies a pleasant landscaped but relatively manageable plot and would suit those looking for low maintenance living, having a courtyard style garden with established trees and shrubs with the main garden affording a south to westerly aspect. In addition there is a substantial driveway providing an excellent level of off road parking which in turn leads to a detached double garage with additional courtyard area to the easterly side of the property which catches the morning sun.

The property is tucked away toward the end of a cul-de-sac location within this well regarded and pretty village.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.

ALLINGTON

Allington is a sought after village located between the A1 and A52 ideal for commuting to the cities of Nottingham and Leicester, and approximately 15 minute drive from Grantham which has trains to King's Cross in just over an hour. The village itself is well equipped with local amenities including primary school, village hall, pub/restaurant, church and playing field and is conveniently located for the market towns of Newark and Bingham. The village is in the catchment area of the Kings Grammar School for boys and the South Kesteven and Grantham Grammar School for girls in Grantham.
