We have pleasure in offering to the market this handsome, double fronted, detached period home located on a stunning level plot of generous proportions, extending to approximately 1.77 acres which includes approximately 0.86 acres of formal gardens. An impressive gated driveway provides a considerable level of off road parking and sweeps round to the rear of the property giving access to a further paddock area to the foot which approaches 0.96 of an acre and also encompasses an impressive, recently resurfaced, tennis court.

This wonderful home offers a great deal of character, having a particularly aesthetically pleasing double gabled facade with central portico and balcony above which benefits from a southerly aspect, looking across to opposing fields. Internally this home offers an excellent level of versatile accommodation which approaches 2,600 sq.ft. plus the addition of a detached annexe building which provides close to 200 sq.ft. of additional space that would be perfect as a guest annexe or ideal for those working from home.

The main house boasts four double bedrooms with both ensuite and family bathroom all leading off a central galleried landing, many of the rooms offering pleasant aspects both into the gardens and surrounding countryside. To the ground floor there are four main receptions and a spacious breakfast kitchen, bespoke Barratt & Swan kitchen linking through into a spacious utility/boot room with cloak room off. The property offers a spacious, light and airy feel with the two main receptions having attractive walk in bay windows overlooking the front garden and two further reception rooms to the rear offering delightful aspects into the well maintained and lovingly established rear garden. As well as the main accommodation, located within the formal area of the garden, is a detached annexe building which provides a reception/bedroom space with utility and cloak room off which would make perfect home office ideal for today's way of working or, subject to necessary consents, possibly even a self contained annexe space ideal for extended families or those with dependent relatives.

As well as the wealth of family orientated accommodation the property occupies a beautifully maintained, established plot, set back from the road behind an electric gated frontage which enters onto a sweeping, U shaped, driveway encompassing a central lawn with well stocked perimeter borders. The driveway, in turn, continues to the side of the property providing further off road parking as well as leading to an attached double garage with electric door. The rear gardens are a delightful feature of the property offering an excellent degree of privacy and, are again, well maintained and stocked with an abundance of mature trees and shrubs as well as encompassing a useful timber framed greenhouse and vegetable

garden and leading out onto a central lawn with attractive recently upgraded summer house with a south facing decking area. This formal area of the garden, which extends to approximately 0.86 of an acre, is separated by an established hedge which leads through into a further 0.9 former paddock which is still mainly given over to pasture but does encompass a superb, recently refurbished, outdoor tennis court, the grassland potentially providing enough space for a small pony and also includes a run of former stables.

Overall this is a beautiful, spacious and versatile period home perfect for families, located with excellent road communications and within the walking distance of the wealth of amenities of the Trent side village of Lowdham. The property also has excellent links into Nottingham and Leicester via the A46 and A52 as well as links via the M1 and A1, with high speed rail links available from Nottingham and Newark giving access to Kings Cross London in just over an hour.

Viewing comes highly recommended to appreciate both the location and accommodation on offer.
