An opportunity to purchase a stunning, individual, detached, contemporary home tucked away in a quiet backwater at the heart of this well regarded village and occupying a substantial plot which lies in excess of 1/3 of an acre. A sweeping gated driveway leads up to this impressive home which offers just in excess of 3,500 sq.ft. of internal accommodation.

Originally completed approximately five years ago the property is a truly individual detached home offering both contemporary and traditional elements, having attractive brick elevations beneath a pantiled roof behind which lies versatile living and a well thought out design which offers a great deal of flexibility in its layout.

The accommodation provides four main reception rooms including a spacious, open plan, living/dining kitchen which benefits from windows to three elevations including bifold doors leading out into the westerly facing garden. Leading off here is a superb reception area with vaulted ceiling and dual aspect linking into a useful utility. Two further receptions provide a more formal sitting room of generous proportions, again with access out into the garden, and a separate study/dining room with adjacent cloak room leading off a central hallway. An attractive contemporary glass and oak staircase rises to a first floor landing which would be large enough to accommodate a study area and gives access to four double bedrooms, two of which benefit from ensuite facilities, and a well proportioned family bathroom. A particularly impressive master suite has walk through dressing room and ensuite bath/shower room, the main room having a pitched ceiling and Juliette balcony into the rear garden.

The property benefits from contemporary double glazed windows, under floor heating to the ground floor, contemporary fixtures and fittings and neutral decoration creating a delightful home.

As well as the internal accommodation the property occupies a fantastic plot, generous by modern standards, accessed off a private driveway shared with only one other dwelling which, in turn, leads to a substantial gated driveway providing a considerable level of off road parking as well as an attached double garage. Gardens run to all sides and are well screened, offering a good degree of privacy and benefitting from a south to westerly rear aspect.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.
