An excellent opportunity to purchase a well proportioned, detached, family orientated home attractively positioned close to the entrance to a small cul-de-sac setting, within this highly regarded and established David Wilson development. The property offers a good level of versatile accommodation and occupies a pleasant landscaped plot with a good level of off road parking, double garage and south facing rear garden.

The property boasts three main receptions and four bedrooms, with a particularly spacious master suite which benefits from ensuite facilities, and a separate main bathroom.

The property offers a light and airy feel, having a well proportioned initial, L shaped, central hallway with attractive spindle balustrade turning staircase rising to the first floor landing and benefitting from a high level arched window providing light to both the ground and first floors. The sitting room benefits from a dual aspect with walk in bay window to the front and sliding patio doors into the southerly facing garden at the rear. The formal dining room offers the signature David Wilson bandstand curved bay window, again with a pleasant aspect out into the rear garden, and links through into a breakfast kitchen which, in turn, gives access to a side entrance lobby and utility room. The third reception provides a fantastic home office perfect for today's way of working or, alternatively, would make an additional snug or playroom with useful adjacent cloak room.

In addition the property benefits from gas central heating and sealed unit double glazing as well as relatively neutral decoration throughout. Although likely to require some cosmetic updating the property provides a blank canvas, perfect for those wishing to place their own mark on a home and appreciating a convenient location which is easily accessible to the heart of the town and its wealth of amenities.

The property's plot has been landscaped over the years to provide a relatively low maintenance frontage which maximises off road parking and leads to a brick built double garage with twin up and over doors and potential storage in the eaves. A timber courtesy gate provides access to the rear garden which is enclosed to all sides, having a central lawn and established borders and benefitting from a southerly aspect.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.
