A fantastic opportunity to purchase an individual detached home completed by Elms Developments as part of the former Red Lion Scheme. The property has been finished to a high specification having been designed with a great deal of thought and attention to detail to combine both traditional and modern elements which begin with its attractive brick elevations beneath a pantiled roof, attractive double glazed casement windows with stone sills finished in heritage style colours, cottage style rainwater goods and a central, rosemary tiled, oak front porch which creates an aesthetically pleasing facade which blends well with the adjacent Grade II listed conversions.

The property offers a deceptive level of accommodation lying in the region of 2,300 sq.ft., spanning three floors and boasting four double bedrooms and three bath/shower rooms as well as an impressive master suite which offers a walk through dressing room and attractive double bedroom with high, vaulted ceiling, and ensuite facilities. A further impressive suite lies on the second floor, having attractive pitched ceilings and an adjacent shower room, making it ideal for teenagers.

To the ground floor, leading off a central hallway, is an impressive open plan kitchen tastefully appointed with a generous range of units finished in heritage style colours with integrated appliances and useful boot room/utility off. An L shaped lounge provides a light and airy space benefitting from windows to three elevations. A ground floor cloak room also leads off the main entrance hall.

The property is tastefully presented throughout, with neutral decoration and benefitting from contemporary fixtures and fittings, having deep skirtings, underfloor heating to the ground floor and is offered to the market with no upward chain.

As well as the internal accommodation the property occupies a landscaped plot designed for relatively low maintenance living and is approached via a gated access onto what is a substantial level of off road parking. In turn there are levelled gardens with low maintenance artificial lawns and paved terraces providing a versatile outdoor space with an east to west aspect.

The property affords a fantastic central village location literally yards from the wealth of amenities of this highly regarded and well served Vale of Belvoir village, perfect for a wide range of prospective purchasers including professional couples, young families making use of the local schools or even those potentially downsizing from considerably larger dwellings but

still looking for a well proportioned unique home on a relatively low maintenance plot.

Overall viewing comes highly recommended to appreciate both the location and accommodation on offer.
