A very well presented, high quality, mid terrace three bedroom family home built by Able Homes in 2012. The property has the benefit of a 5Kw array of photovoltaic solar panels installed in 2023 and EPC energy rating A allowing very low running costs. Additionally, there are double glazed windows and a gas fired central heating system with underfloor heating to the ground floor and radiators to the first floor accommodation. To the rear is an enclosed and secluded garden, single garage and driveway providing off road car parking.

The living accommodation comprises entrance hall, WC, 15' lounge with oak flooring, a superb 22' open plan living and dining kitchen with modern fitted units and integrated Neff appliances. On the first floor there are three spacious bedrooms, a family bathroom and an en-suite shower room.

Long Bennington is a sought after village location with excellent amenities and this home would be suitable for professional people looking to commute, a family with growing children or those looking to downsize from a much larger home seeking a modern, good quality and efficient to run house in a well served village location. Viewing is highly recommended,

Long Bennington is a well served village with amenities including primary school, a Co-op store, medical centre, coffee shop, three pubs, fish and chip shop and an Indian takeaway. The catchment area incorporates Lincolnshire secondary schools. There are grammar schools at Grantham and Sleaford. There is easy access to the A1 dual carriageway and Newark and Grantham railway stations have fast LNER train services connecting to London King's Cross with journey times in the region of 75 minutes. The beautiful surrounding countryside can be accessed by country lanes and public footpaths with miles of rural walks connecting to delightful neighbouring villages.

Constructed of brick elevations under a tiled roof covering, the living accommodation is arranged over two levels, and can be described in more detail as follows:
