A well presented and modernised two bedroom bay fronted mid terrace house with a pleasant and enclosed rear garden situated close to Newark town centre. The living accommodation has the benefit of a gas fired central heating system with a Worcester combination boiler and uPVC double glazed windows. The accommodation comprises lounge with walk in bay window, lobby with built in cupboard, dining room, kitchen/diner with fitted units and appliances, shower room with WC and an accessible walk-in shower area, ideal for those with mobility issues.

On the first floor there are two double bedrooms and a bathroom which are all accessed from the landing.

Outside there is an enclosed forecourt to the front of the property with boundary wall and entrance gate. To the rear there is an enclosed garden with a resin coated patio terrace and path. The property represents an ideal investment opportunity or first time buy and viewing is highly recommended.

Bowbridge Road is conveniently situated within walking distance of Newark town centre and a range of excellent amenities include Asda, Morrisons, Waitrose and Aldi supermarkets. There is also a recently opened M&S food hall. The attractive, mostly Georgian, market square provides the focal point to the town centre, holds regular markets and has a good range of independent shops, boutiques, bars, cafes and restaurants. Newark Northgate railway station has fast trains connecting to London King's Cross with a journey time of approximately 1 hour 30 minutes. Newark Castle railway station has trains connecting to Nottingham and Lincoln. There are nearby access points to the A1 and A46 dual carriageways. Newark has a good variety of primary and secondary schooling, and a general hospital.

The property comprises a bay fronted, mid terrace, two storey house constructed with brick elevations under a slate roof covering and believed to date circa 1896. The property was re-roofed in 2016 and the roof was insulated., UPVC double glazed replacement were fitted in 2011 and the gas fired central heating system had a new

combination boiler fitted in 2018. The single storey insulated timber framed wet room/shower extension was built in 2013.

The living accommodation is arranged over two levels and can be described in more detail as follows:
