- Full Planning Permission for 5 Dwellings

A residential building site with full planning permission for the erection of 5 four bedroom detached houses. The site extends to 1.04 Acre or thereabouts. The gross internal area of each property is 199.6 sq.m (2149 sq.ft) with the potential of a substantial gross development value. Reserved matters are approved under Bassetlaw District Council reference 22/01294/RES dated 10th January 2023. The site is situated in a conservation area, and whilst adjacent to the A1 trunk road, there is an established tree lined embankment and the site contours offer a natural landscape.

The site is conveniently situated off Markham Road with footpaths into Tuxford Market Place and the local amenities.

Tuxford is an attractive market town with a Georgian centre said to have been completely rebuilt after a fire in 1702. Important through the ages as a coaching centre, Tuxford is situated at the crossing of the Great North Road and Lincoln Road. The A1 now bypasses the village adjacent to this site and there are access points north at Markham Moor and south from Tuxford. There are a variety of shops in the attractive Market Square and the major centres of Newark, Retford, Ollerton and Lincoln are within easy commuting distance. The Tuxford Academy has an excellent reputation and keenly selected by parents in the surrounding catchment areas.
