A residential building site with outline planning permission granted until November 2025 for the erection of 5 four bedroomed detached houses. The site is capable of accommodating detached properties, each over 2000 sq. ft with the potential of a substantial Gross Development Value. The site is situated on contoured land and whilst adjacent to the A1 trunk road, there is an established tree lined embankment and the site contours offer a natural landscape.

The site is conveniently situated off Markham Road with footpaths into Tuxford Market Place and the local amenities. A primary school and the Tuxford Academy secondary school are within easy access to the property.

Tuxford is an attractive market town with a Georgian centre said to have been completely rebuilt after a fire in 1702. Important through the ages as a coaching centre, Tuxford is situated at the crossing of the Great North Road and Lincoln Road. The A1 now bypasses the village adjacent to this site and there are access points north at Markham Moor and south from Tuxford. There are a variety of shops in the attractive Market Square and the major centres of Newark, Retford, Ollerton and Lincoln are within easy commuting distance. The Tuxford Academy has an excellent reputation and keenly selected by parents in the surrounding catchment areas.
