A detached four/five bedroomed bungalow with garage, gas fired central heating, double glazing throughout, and a sizeable plot extending to 1,029 sq. m (0.254 acre) or thereabouts. The property has a hedgerow frontage, and a gravelled driveway leads through to the rear of the property. The location is convenient for a railway station, Co-operative store, local shops, medical centre and primary school.

The accommodation provides entrance hall, lounge, kitchen, utility room, store room, pantry, four principal bedrooms plus study/bedroom five, and the family bathroom. The integral garage has an electrically operated roller shutter door.

The village of Collingham is situated 6 miles north of Newark and within commuting distance of Lincoln and Nottingham. Local amenities include a Co-operative store, family butchers, post office, hairdressers, primary school, medical centre with GP surgery, pharmacy and dentist. There are many social organisations, societies and clubs. The Royal Oak pub is community owned.

Collingham has a railway station providing regular services to Newark, Lincoln and Nottingham. Access points to the A46 and A1 dual carriageway are within 4 miles. Newark is on the main East Coast railway line with regular services to York, Newcastle and Edinburgh. Train journeys to London King's Cross are normally just over 75 minutes journey time.

The original date of construction we estimate is late 1930's with solid non-cavity 9 inch thickness brick walls and rendered external elevations, under a pitched tiled roof. Later extensions to the property incorporate bedrooms, the kitchen and an integral garage with rendered masonry elevations under flat mineralised felt covered roof sections.
