Individually designed and built in 2020 this detached three bedroomed bungalow is a contemporary design with lots of window space, open plan living, a double garage, underfloor heating and low maintenance gardens. Exceptionally well built and finished to a high standard, the property features farmhouse antique brickwork, an interlocking tiled roof and plain tiled hipped roof bay. There are Bosch kitchen appliances, a well appointed en-suite with jacuzzi and a family shower room. Dorner Avenue is a no-through unadopted road conveniently situated less than 1 mile from Newark town centre. The road frontage was resurfaced with tarmac by the joint owners circa 2018.

The accommodation provides a reception hall with engineered oak floor, cloak room, lounge with dual aspect and bay window, separate study with oak finish floor, kitchen and open plan dining area with patio doors to the garden. There is an opening to the utility room. An inner hall separates the living accommodation from the bedroom accommodation providing Bedroom 1 en-suite, Bedrooms 2 and 3 both double size bedrooms and the family bathroom. The double garage is built with attic roof trusses with potential for extension or storage. There is ample parking and the grounds are landscaped for low maintenance.

Dorner Avenue is situated close to Devon Bridge, Newark Marina and the Rowing Club, indeed a pleasant environment with Devon Park just across the road and the Mill Gate Conservation Area leading through to Castle Gate where there is a variety of restaurants, pubs and local amenities within walking distance of the property.

Newark is an attractive town ideally located for commuting to Nottingham, Lincoln, Leicester or London. The town is situated on the intersection of the A1, A46 and A17 trunk roads. There are regular rail services from Newark Castle to Lincoln and Nottingham. Newark Northgate station and East Coast railway services provide journey times between Newark and London King's Cross in just over 75 minutes. The town has a wonderful heritage and history with the Georgian Market Square, the 12th Century Castle, riverside areas and the wonderful Parish Church being particular

attractions to the town.

The property was individually designed and built in 2020. Rooms independently thermostatically controlled.

The following accommodation, with gas fired underfloor central heating throughout, is provided as follows:
