An individual detached four bedroomed chalet design family house, which is well positioned and set back within 0.324 acre of mature and secluded gardens in the Conservation Area of Elston village. The property offers in the region of 1600 sq. ft of very well presented living accommodation, with the benefit of uPVC double glazed windows and a gas fired central heating system.

The accommodation includes entrance hall, utility room, shower room, open plan dining kitchen, living room, family and dining room, office and moving to the first floor there is a spacious landing with built-in wardrobe, four family sized double bedrooms and a very well appointed family bathroom featuring a modern white suite, a freestanding bath and a separate walk-in double shower cubicle.

Outside there are well established and secluded gardens extending to the front, side and rear of the property, which enjoy views of the surrounding countryside, a spacious driveway and hardstanding has ample parking for up to five vehicles. There are a range of outbuildings, including garden sheds, store, workshop and a 28' x 16' garage workshop with power and light connected and a WC, this would be ideal for vehicle storage or a trade persons workshop. Viewing is highly recommended.

Elston village is conveniently situated within commuting distance of Newark, Bingham, Nottingham, Leicester and Lincoln. There are nearby access points to the A46 and A1 dual carriageway. Amenities in the village include a primary school rated good by Ofsted, The Chequers Inn which is a recently refurbished country pub and restaurant, and a small community run convenience store. Nearby Newark has excellent shopping facilities which include the M&S Foodhall, and Morrisons, Waitrose, Asda and Aldi supermarkets. Newark Northgate Railway Station has trains connecting to London King's Cross with a journey time of around 75 minutes. The beautiful surrounding countryside can be accessed by footpaths and country lanes, which also connects to the lovely surrounding villages ideal for those who enjoy outdoor pursuits such as walking or cycling.

The property is constructed with brick and part rendered elevations under a tiled roof covering. Central heating is gas fired and windows are uPVC double glazed. The living accommodation is arranged over two levels and can be more fully described as follows:

GROUND FLOOR

ENTRANCE HALL

15'3 x 6'5 (4.65m x 1.96m)
