Situated on the edge of the charming East Markham village, this converted Grade 2 listed former windmill tower has modern and versatile extensions added in 1972 and more recently in 2019, offering a unique blend of historical charm and modern living. Spanning an impressive circa 2,800 square feet, this detached residence offers five spacious bedrooms and four inviting reception rooms, making it an ideal family home, well positioned on a 0.6 acre plot with mature and private gardens.

The property features a stunning observation room at the top of the windmill tower, providing breath-taking views of the surrounding countryside. Additionally there are balconies from three of the main bedrooms, overlooking the gardens and surrounding area. With three en-suite shower rooms, along with additional shower facilities on both the ground and first floors, convenience and comfort are paramount throughout the home.

Set within a generous 0.6-acre plot, the property is surrounded by mature gardens which are planted with a variety of trees and hedgerows, ensuring a sense of seclusion and tranquillity. The spacious driveway offers ample parking for multiple vehicles, catering to both family requirements and guests alike. Also, there is a timber built workshop, ideal for hobbies or storage.

The heart of the home is the dining kitchen, fitted with well appointed modern units and a range of appliances. The property is equipped with solar panels and battery storage, promoting energy efficiency and sustainability, while the LPG central heating ensures warmth and comfort during the colder months.

This exceptional property is not just a family home; it is a lifestyle choice, which offers potential to use the windmill tower independently as an annexe for extended family or alternatively a holiday let or AirBnb. With its versatile living spaces and modern amenities, this windmill conversion is sure to captivate those seeking a distinctive and spacious residence in the heart of the Nottinghamshire countryside.

East Markham is a charming and highly regarded village location situated within commuting distance of Newark,

Retford, Lincoln, Nottingham, Sheffield and Doncaster. Village amenities include a community run shop selling convenience items, local pub, the Scrumpy Wasp Cider brewery, hairdressers, village hall and the East Markham Primary School which is rated good by Ofsted. Additional amenities can be found at nearby Tuxford (two miles) including the Tuxford Academy Secondary School rated good by Ofsted, local pub, cafe, takeaways and a range of shops including a recently built modern Co-op convenience store with car parking situated on the outskirts of the village. Further shopping facilities can be found at the nearby towns of Newark and Retford, including Morrisons and Asda. Additionally, Newark has a Waitrose and Aldi store and also a modern M&S food hall with car parking situated on the outskirts of the town. Both Newark and Retford have mainline railway stations with trains connecting to London's King's Cross in around 75 minutes. There are nearby access points to the A57 and A1 dual carriageway. East Markham is surrounded by beautiful countryside which can be accessed by footpaths and country lanes which also connect to neighbouring villages with amenities including pubs and eateries.

The converted Windmill tower is constructed with brick elevations, topped with an engineered timber dome incorporating double glazed windows and aluminium infill panels, forming the observation room. Quality extensions were built in 1972 and 2019, constructed of rendered brick elevations under a tiled roof covering, with the later extension having a timber frame and rendered thermalite block cladding. There are 12 efficient roof mounted solar panels with battery storage. The central heating is fired by LPG and there is electric heating to the Windmill tower. The windows are hardwood framed, with double glazed units. The accommodation can be described in more detail as follows.

GROUND FLOOR

ENTRANCE HALL
