An individual building plot with outline planning permission for a self-build detached three bedroomed bungalow. The site area is 655 sq.m (0.16 acre) or thereabouts. The proposed bungalow has an estimated internal area of 102 sq.m (1100 sq.ft) approximately.

The site comprises the rear garden of the existing dwelling at 22 Hawton Lane. The plot providing privacy and seclusion is bounded by a hedgerow and ancient woodland to the rear. Access is by extended dropped kerbs to Hawton Lane and a new 3.6m wide driveway with turning area and parking spaces.

The plot is situated in an established residential area close to primary and secondary schools, supermarkets, local shopping facilities and bus services.

The site is level and generally in this area the soil structure is a light sandy loam.

An ideal opportunity for a private buyer and self-build or a developer's opportunity in an area where new bungalows are in short supply and normally carry premium values.
