LITTLE JACKS

The property comprises a farm and garden centre complex, set within an owned freehold area of approximately 2.2 acres, immediately adjoining a leasehold area extending to around 12.8 acres. (details available upon request)

At the heart of the site stands an attractive modern block built building, finished with timber cladding to create a high-quality, visually appealing appearance. The building currently accommodates a cafe, retail shop and indoor play centre, extending in total to approximately 4,257 sq.ft (395 sq.m).

Planning consent was granted on 29th October 2024 for a side extension measuring approximately 40m x 11m, allowing for the expansion of the cafe and play area at ground floor level and the creation of two three-bedroom residential apartments at first floor level. This consent is subject to a restriction limiting occupation to business use only.

Adjacent to the main building is a poly tunnel structure, currently used to provide additional play space and extended cafe seating. This is considered a more temporary form of accommodation but enhances the overall flexibility of the operation.

The freehold grounds incorporate a large hardcore-surfaced car park, garden centre trading areas, outdoor seating, and grassed play zones, offering an attractive and functional layout for both customer and operational use.

The adjoining leasehold land, extending to approximately 12.8 acres, is primarily utilised as a farm park, laid out with individually fenced paddocks, hardcore pathways, and associated visitor circulation areas. This area maybe available to lease by the potential purchaser.

Securely fenced entrance gates to the front boundary.

LOCATION

The property occupies a strategic position just off Orston Lane, on the western edge of Bottesford village on the edge of the Vale of Belvoir. The location benefits from excellent access to the regional and national transport network, positioned to the east of Nottingham,

south of Newark and west of Grantham.

The A52, situated less than half a mile to the south, connects directly to the A1 and M1 motorways, providing efficient north and southbound links. The recently dualled A46 lies approximately 5 miles to the west, offering swift routes to Newark (10 miles), Nottingham (17 miles), and Leicester and the M1 (30 miles).

The property is well positioned for nearby commercial centres, with Bingham located 6.5 miles away and Grantham and the A1 approximately 9 miles distant.

Bottesford itself is a vibrant village and offers a range of village amenities, including the three Public Houses, The Bull Inn, The Rutland Arms and The Thatch restaurant. There are convenience stores, including a Coop and local shops, Deli and Cafe. The village offers both primary and secondary schools, many sports clubs and health facilities. There are local bus and rail services connecting to surrounding towns and villages. Mainline rail services to London King’s Cross are available from Grantham and Newark, with typical journey times from Grantham of approximately 75 minutes.

East Midlands Airport is approximately 32 miles away, providing convenient access to both domestic and international destinations.

This highly accessible East Midlands location offers an ideal base for business occupiers, investors and developers seeking strong regional connectivity and proximity to major commercial hubs.

THE BUSINESS

The business is currently trading and the site is only for sale due to retirement of the current owner. The business can continue with the next purchaser, or can be wound up on the completion of sale. If the business is to continue, the sale will be treated as a TOGC (transfer of going concern). All current staff are either family or on temporary contracts and therefore the sale will not be subject to TUPE, Transfer Undertaking (Protection of Employment) regulations 2006, to the new purchaser.
